I will send out an updated calendar event for 11:00 AM and see if more people are able to attend.

Cheryl,

11:00am would work, and we would be finishing up the CAFO program call at 11am. We don't have to change the time on my account!—I just imagine other WDNR people would have the same conflict with the CAFO program call from 9-11am

Whatever works for you all!

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.

Hi Michelle,

Thank you for the update. What time is good for you? I know you don't know everyone's schedule, but does 11:00 AM work?

Hi Cheryl,

Thanks for the invite. We do have our WDNR CAFO program monthly call from 9:00-11:00am today as well. I am fine with attending this call about Central Sands Dairy, and missing part of the CAFO program call, but others may have a conflict with it. I am very flexible today if we want to change the time of the call, but I can make this work!
